### Our Stanley a Military Leader in Africa—An Explosion Kills 150 Persons.

LONDON, June 14.—From private sources it is learned that Lord Robert Montague, brother of the Duke of Manchester, who went over to the Catholic Church in 1870, has gone back to the Anglican Church. Erington, knowing Lord Robert's intention, instigated it to the Pope as a result of the priests conniving in the agrarian outrages, and told the Pope that he would lose many other prominent English converts if the church did not denounce the state of affairs in Ireland.

### FRANCE.

PARIS, June 14.—St. Simon, the Marabout who has given so much trouble to the French officials and French troops in Algeria, has given notice to the Government of his complete submission.

It is reported from the Congo river that Stanley has arrived at Brazzaville with 1,000 men. De Brazza has 200 men, and is making little progress.

There was an explosion of the magazine at Scutari to-day, caused by lightning. One hundred and fifty persons were killed and fifty-three wounded. Two hundred barrels of gunpowder were destroyed.

### SUED FOR LIBEL.

James Gordon Bennett, Proprietor of the Herald, by N. L. Munro, the Publisher of Papers and Periodicals.

NEW YORK, June 14.—Mr. Norman L. Munro, the publisher of weekly, story papers and periodicals, has begun a suit in the Supreme Court against James Gordon Bennett, proprietor of the New York Herald, to recover 100,000 damages for an alleged series of libels published in the defendant's paper. Mr. Munro, in his complaint, says he is a married man and father of two children, and that for the past two years has resided in the city of Brooklyn. Until recently he says he lived happily with his wife and children. He moved in good society in Brooklyn, and there was not the slightest stain upon his reputation. Now all that is changed. Some time in April he published a notice in one of the Brooklyn papers to the effect that he would not be responsible for any bills contracted in his name he had not authorized. On the last day of April and afterwards he was very much astonished on picking up the Herald to read in its personal column notices addressed to him and signed "Satie," which served to raise a presumption of some illicit relations on his part with the individual represented by the signature. The result of the persecution was to break up his own family relations, and ruin his reputation.

### AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882. "I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."

Mexico, Texas, June 17, 1882. The Rev. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
